

Dear Mary,

I have no words that can accurately express the gratitude that my family holds for you and your wonderful organization (KAE) KINDNESS ABOVE EVERYTHING. Without your generous gift of thousands of dollars my family never would have been able to get my nephew the help that he so desperately needed for his addiction and mental health issues and because of the great work that KAE does we were able to get him in the door quickly and on the road to recovery. KINDNESS ABOVE EVERYTHING (KAE) is an amazing charity and a huge blessing to me and my family. You have given us hope, support and a sense of love for our community that we had never dreamed possible. We are forever grateful. Xo xo
